

## Two-Character ASCII Label Domain Policy

n. If Registrant is registering a letter/letter two-character ASCII label domain name, Registrant will take all steps necessary to ensure against misrepresenting or falsely implying that Registrant or Registrant's business is affiliated with a government or country-code (ccTLD) manager if such affiliation, sponsorship and/or endorsement does not exist. The Registry reserves the right to cancel the registration, at its sole discretion, if:

- i. Registrant fails to take such necessary steps; or
- ii. subject to applicable law or based on the applicable governmental agency report to the Registry regarding conduct that the Registry has determined causes confusion with the corresponding country code regarding the use of the letter/letter two-character ASCII domain.

To submit your complaint:

If you believe an entity is misrepresenting or falsely implying that the Registrant or Registrant's business is affiliated with a government or country-code (ccTLD) manager, please email [support@mmx.co](mailto:support@mmx.co) with the full details of your complaint and MMX Registry will take the necessary steps to resolve the issue.
